Anaphylaxis on-line Training for Parents & Community

Here are the details for completing the online training for anaphylaxis.

Website link: http://anaphylaxis.ascia.org.au/

Create your account
This course has been developed by the Australian Society of Clinical Immunology and Allergy (ASCIA) and has included an extensive review process which ensured ASCIA members as well as representatives from parent support organisations.

Enrol and complete course
This course has been designed to be undertaken by the broader community such as parents, friends, carers or patients themselves, sports clubs, playgroups and communities.

About ASCIA
ASCIA is the peak professional body of clinical immunology and allergy in Australia and New Zealand. ASCIA promotes and enhances the study and knowledge of immune and allergic diseases, including anaphylaxis.

You’ll need an email address with which to create an account on the ascia site.

If you don’t want to use your current / personal email address, you could create a new gmail address for yourself to use.  https://accounts.google.com/signup
