The New School Plan 2015-2017

The new school plan will support schools in working proactively with their staff and school communities to establish school directions and key educational improvements. It will support collaborative leadership and community consultation in decision making, ensuring that the educational priorities of the school reflect the goals and learning needs of students, staff and parents. For further information please view the Youtube clip produced in July 2014 by the NSW Department of Education and Communities. This introduces the new approach to school planning. https://www.youtube.com/watch?v=SjueAjblIOo

To work collaboratively in the future direction of OPS, we would like your input as to:

What current educational practices and performances we are doing well? How do you as a community member, perceive our performance in teaching and learning, student engagement and leadership?

What areas would you like us to explore or develop for strategic improvement?

How we can take OPS into the future? What educational priorities, dreams and ambitions does our community have as preferred future scenarios for the school?
It may assist you to respond in the areas of:

<table>
<thead>
<tr>
<th>Student Learning</th>
<th>Teacher/Leader learning</th>
<th>Community</th>
</tr>
</thead>
</table>

You will be able to participate by returning an attached feedback sheet to the P&C collection box in each office, or you can request that someone from school contact you for a telephone response or you can email directly to the school on orange-p.school@det.nsw.edu.au or email your response to your class P&C representative. Class reps will collect these, gather the information and email to the school email address anonymously if you wish. We look forward to your input into future directions of OPS. Please return your response by **14th November**.

Thank you

*Glenda Pickering*

Relieving Principal

Please return to the school if you wish to be contacted.

I would like to have a school representative contact me on (contact number)……………………………. between

...........am-...............am/pm on .............................................................(days of the week).
